

4-H Club Seal Application

A charter and seals are provided as recognition for 4-H Clubs.

A seal is awarded to a 4-H Club each participation year that requirements are met. The seals are white, red, blue, and purple. Your 4-H Club may try for any seal without regard to the seals previously received. If a club does not meet all club requirements then a participation seal is awarded for that year.

As a requirement is met, place an "X" in the space provided and give the information requested. Check frequently throughout the year to avoid missing any requirements for the seal your club is working for.

Use the club officers of a committee of 4-H members to assist you in checking the requirements during the year and to fill out the "4-H Club Seal Application" at the end of the 4-H year.

Organizational Leader(S) Statement of Authenticity

As a leader of the above mentioned 4-H Club, I have personally reviewed this 4-H Club Seal Application and certify that it accurately reflects the work of the 4-H Club. If more room is needed to explain any item on the form, I understand additional pages are allowed.
