| government payments, and any other  | r income derived from this    | property as rent. C                   | Crops will be  |
| delivered to a mutually agreed upon   | delivery point.               |                                       |                |
| Sharing expenses: landlord will sha  Fertilizer  Herbicide  Insecticide  Seed  Lime | Share Share Share Share       |                                       |                |
| Additional provisions:  |                               |                                       |                |
|   |                               |                                       |                |
|   |                               |                                       |                |
|   |                               |                                       |                |
| (over)  |                               |                                       |                |

Growing crops: any crops growing and/or unharvested on the termination date may be harvested by the tenant on shares, with possession of the property going to the land owner immediately after harvest.

Compensation for work: any field work performed by the tenant prior to termination notice shall be compensated for by the landlord based on the "Kansas Custom Rate" guide published by the State Board of Agriculture.

The provisions of this lease are binding upon the heirs, executors, administrators and successors of both landlord and tenant.
