Good morning 4-H Families and Volunteers

With heavy hearts we announce that we will be moving to a virtual Fair. This was not an easy decision and it is one we do not take lightly. We are making this decision for the safety of our volunteers, 4-H families, the youth we work with.

A virtual Fair, is new to us as well and we will help you work through this along with our judges and volunteers. During this time, we ask for understanding and patience. This won’t be a perfect way to experience Fair but we are trying our hardest to make an experience for our 4-Hers to be the best that it can be.

At the end you will find a timeline, how this will work, and our social media campaign for #hvcofairathome. If you have any questions or need help troubleshooting, please let our office know. We should all be able to work through this with you. If you do not have any access to technology, please let us know so we can work with you on a one-on-one basis to make it so your 4-Her can still participate.

Again thank you for your patience and understanding. From what we have seen, our Harvey County 4-H family has done a great job of living by our 4-H pledge.

Sincerely,

Anne Pitts
4-H & Human Development

**Time Line**

July 10: Announcing of Virtual Fair

July 24: Deadline to submit your entries

July 29: Judging Starts

Aug. 3: Judging Ends

Aug. 12: “Celebrate your hard work” Facebook Live to honor our overall award winners

**Need to Know**

- Still enter your entries in FairEntry

- Still follow all rules in the Fair Book found at [www.harveycountyfair.com](http://www.harveycountyfair.com)

- Flip Grid
  - Use the document for Flip Grid Codes
  - These will be a max of 3 minute videos where you will talk about your project
  - There will be guiding questions to help you know what to talk about
  - Judges will be able to make comments and ribbon placing

- Swine, Beef, Dairy, Sheep & Goat
  - Youth will have a video taken of them showing all sides of the animal and how they set up an animal
  - Will need to send 1 min videos to harveycountyextensionoffice@gmail.com
  - Label your video FirstLastname_BreedMarketORBreedingSpecies (example AnnePitts_DurocMarketSwine)
  - We will put together all of the Market/Breeding and an audio recording of the top animals from the judge to showcase our 4-Hers on our Facebook page

- Check Facebook page for more How To documents

- Really what is changed, is all entries for Fair will be submitted online. All exhibits will still be judged and get a placing

**Social Media Campaign**

Each day, we will have a different theme. We ask that you participate and post your pictures on our page. We will be posting results, shows and more on our page throughout Fair week. We hope you join in on the fun for #hvcofairathome
# Flipgrid Codes for 2020 Harvey County Free Fair

Password for all flipgrids: hvco4hrocks
1. The 4-H’er will input the grid code provided by the grid organizer at www.flipgrid.com
   a. Enter the grid password and click “Let’s Go”

2. Click on the drop down menu to review grid topics. Chose the topic that corresponds with the fair class for the project entry.

3. Click on the green circle button to upload an entry.
4. **Log in with either a Google or Microsoft email account.**
   a. Microsoft compatible accounts include Outlook.com, Hotmail, MSN, Office, OneDrive, Skype, Xbox and Windows.

5. **You will now be redirected to the page to record or upload your video.**
   a. If you are recording through Flipgrid, be sure to allow flipgrid.com to access your camera and microphone.

6. **There are four options for uploading video.**
   a. Record directly on a smart phone and upload to Flipgrid app.
   b. Record through the Flipgrid app on a smart phone.
   c. Record video on computer and upload to web based Flipgrid program.
   d. Record through web based Flipgrid program.

7. **This example shows uploading a video file saved on a computer to the web based Flipgrid program.** Click on the upload button.
8. Drag and drop video file into the upload video window. .MOV, .MP4 or .WEBM video formats are supported.

9. Once the video is uploaded fill in the blank fields with your information and then submit your video.
**Tips and Tricks**

1. Be sure to download the free app for your cell phone.
2. The web based Flipgrid works best in the Chrome internet browser.
3. Project documentation (e.g. recipes) should be uploaded to platform such as GoogleDrive. The sharable link can then be included in the link box.
4. 4-H’ers without a strong internet or cell service should consider recording videos directly to their devise (tablet, cell phone or computer) and then uploading the videos with a strong internet connection.
