

# HANDS-ON MUSHROOM CULTIVATION WORKSHOP

Discover easy, low-cost methods for growing delicious, gourmet mushrooms such as shiitake, wine cap, and oyster. Learn how to inoculate logs and woodchip beds so that you can harvest and sell your own mushrooms year after year!

**Thursday, April 11, 2019**  
**10:00am to Noon**

**Cost of the workshop is \$35**

## *Topics Covered:*

- Growing oyster mushrooms on straw
- Inoculating shiitake mushroom logs (hands-on)
- Growing wine cap mushrooms in woodchips or straw mulch
- Log selection and harvest

Space in workshop is limited

**Register by April 5, 2019**

## *Each participant will receive:*

- Oyster Mushroom Production Bag
- Inoculated Shiitake Log

Harvey County  
Fairgrounds  
800 West First St.  
Newton, KS 67114

## **Please bring a hand drill to the workshop**

(Corded is better than cordless. If bringing cordless, bring extra, charged batteries).  
Some extra drills will be available.

**A 7/16 inch drill bit will be available but you may bring your own to use.**

For more information contact:  
Scott Eckert at 316-284-6930
