Dear Prospective Exhibitor:

In an effort to promote area home and horticulture business, and to provide educational opportunities, the Harvey County Master Gardeners are hosting the annual Harvey County Home and Garden Show. The dates are scheduled for Saturday, March 25 from 8:30 a.m. – 5 p.m. and Sunday, March 26 from Noon – 5 p.m.

This event will be in the Dyck Arboretum of the Plains at 177 W. Hickory in Hesston. Please note, this is a tobacco free location.

This is prime time to begin gardening and landscaping and will make a great event. Speakers, both local and statewide, are confirmed for the educational seminars and sponsors have been secured for the show. Again, this year we will have an activity for youth to participate in.

In order to include your business information in our promotions, we must receive your registration no later than **March 10th**.

We offer our booth size of 10' x 10' at an affordable \$40 rate (limit 2). If you would like electricity there is an additional fee of \$5 per booth. After March 10, the fee will increase to \$45 per booth space. Please see the enclosed registration form for more information.

Your booths must be staffed from open to close, both days of the show. To help beautify the show, we ask that you include at least **three-square feet** of living plant material in your booth.

The Harvey County Extension Service, Master Gardener Volunteers and the Dyck Arboretum of the Plains are not responsible for damage, lost/missing/stolen items or for accidents. We encourage exhibitors to have liability insurance. If you have further questions, please call me at (316) 284-6930.

Thank you,

Scott Eckert

K-State Research and Extension – Harvey County Director/Horticulture Agent
