You are agreeing to return volunteer time back to K-State Research and Extension Harvey County. Will your employment or other commitments allow you to be available to participate in the Basic Master Gardener Volunteer Training Course and in required volunteer activities?

**Yes**            **No**

(Over)

The tuition cost is \$125.00 and is due with this application by September 1, 2022.

If KSU and Extension scientific research and experience indicate benefits from the use of chemical compounds for specific horticultural purposes, would you recommend their use to gardeners who are seeking your advice even though you may personally oppose the use of any chemical intervention? If your answer is no, please explain.

Explain briefly why you wish to become a Master Gardener Volunteer.

I wish to become a K-State Research and Extension 2022 Harvey County Master Gardener Volunteer trainee and would be available for the training session for the class of 2022, which begins on Thursday, September 15 and meets every Thursday thru December 15 from 9:00 AM to 3:30 P.M. It will not meet on Thanksgiving.

I further understand that if I am accepted into the Master Gardener Volunteer training program, I am entering into a contract to return at least 40 hours of volunteer service to the horticulture programs of Harvey County. Master Gardeners Volunteers, if asked, are expected to provide recommendations based on research-based information, and to provide educational program assistance in support of the general County Extension education program.
